Our specialized Heel Pain Centre can help you! Successful treatment requires a specific protocol. This protocol will resolve 90% of heel pain with conservative measures. That's right! No need for Surgery!! Our staff has been trained extensively on what heel pain is and how we treat it here at the Heel Pain Centre.

So if you, or someone you know, has heel pain, you can download our essential patient guide "The End of Heel Pain" FREE at www.theendofheelpain.com.

This guide will provide you with the answers to the many questions people have about heel pain. With the right knowledge and tools, you will get better faster!

New Aetrex Sandals for Spring!

Just In!!

New sandals from Aetrex are now available! Come in and check out the new fashions; your feet will thank you. Why Aetrex? When it comes to sandals, Aetrex offers a memory foam top cover, removable insoles to accommodate ORT, and full grain leather—so they retain their shape well. And did we mention that they're fashionable, too? Aetrex sandals fit to your foot, giving you the support and comfort you need while walking in style.

Collingwood Annual MS Walk

On Sunday April 17th, Collingwood will be hosting its annual MS walk. The Abbott Foot and Ankle Clinic will be joining this cause as team **Abbott's Happy Feet**, and is inviting anyone and everyone in the community to join us! Help us raise awareness for MS and enjoy the wonderful scenery of Collingwood as we walk towards finding a cure. If you want to walk with Amanda and Nadine, go to <http://mssociety.ca> and click on the register to walk button, sign up as a team member and voila! We will see you there on Sunday April 17th!

Dr.'s Remedy Nail Polish

Come and see our newest product at the clinic, Dr.'s Remedy Enriched Nail Polish. A new nail polish that is doctor-formulated to help keep your nails healthier and prevent nail fungus. Dr.'s Remedy has taken out 3 of the main chemicals found in regular store bought nail polish, Formaldehyde (which is known to cause Cancer), DBP (a toxin that is banned in Europe), and Toluene (a chemical that can cause damage to the liver and kidneys). They have replaced it with Tea Tree Oil, Vitamins C & E, Wheat protein and Garlic Bulb extract which will help your nails stay healthier and stronger looking. Come by the office and check out what exciting colours will dazzle you!
